Project Details

The Grade II listed lodge and associated curtilage buildings were acquired by a private client who wished to modernise and extend the property to provide a single residence with ancillary facilities including an indoor swimming pool, cinema complex, tennis court and car accommodation.

LPP's Role

- Planning and heritage feasibility advice concerning the proposed alterations, extensions and conversion works.
- Liaison with LPA planning and conservation officer.
- Preparation of multiple applications for planning and listed building consent and securing consent for all aspects of the works which were approved over the period 2005-2010.
