

Instruction

Planning feasibility and strategy advice

Client

Princess Alexandra Hospital NHS Trust

Project Details

The Hospital Trust through its estate strategy has been going through a period of rationalisation and modernisation. Planning consultancy advice and support has been required to help realise the Trust's objectives.

LPP's Role

- Planning strategy and policy advice
- Preparation and submission of related planning and listed building applications
- Planning input to hospital masterplan
- Negotiations with Local Planning Authority & Key Statutory Consultees
- Securing planning permission for the new ward blocks and decked car parking
- Securing planning and listed building consent for the conversion of an on site listed building to residential apartments and further housing within the grounds
