

Instruction

Care Home Development, Sharnbrook, Bedfordshire

Client

Greensleeves Homes Trust

Project Details

Modernisation proposals to provide specialist dementia facilities at Sharnbrook House, incorporating the reconfiguration and extension of a Grade 2 listed town house mansion and stable block complex.

LPP's Role

- LPP are instructed to provide planning advice with the objective of securing planning permission and listed building consent for modernisation proposals to upgrade and extend an existing residential care home (Class C2)
- The role incorporates coordination of the project team and liaison with the Borough Council and its specialist advisors to demonstrate the need for and appropriateness of the proposals
